RE: C00426122
30 Day Post-General Report
(10/1/06 - 11/27/06)

Dear Ms. De Carmine:

Please refer to your attached letter of April 11, 2007. I also enclose a copy of what I originally filed, which includes several pages of a schedule B. I believe all of the expenditures totaling the amount set forth on Line 23 are set forth on Schedule B. Your letter does not identify which expenditure is missing from Schedule B. I could not find one missing. Please review and let me know which expenditure is missing. Thank you.

Sincerely,

Thomas A. Gentile
